

# SahuarO Weekly Update

*"Where neighbors help neighbors build community."*

Vice Mayor Steve Frate, Glendale Arizona

August 19, 2011

**Revisions Requested to Redistricting Maps.** The City Council, at its Aug. 16 workshop session, requested revisions to redistricting maps developed by consultants and presented to the public for input over the summer.

The request for map revisions followed the consultant's recap of public comments, presentation of citizen-drawn maps, and councilmember discussion on keeping "communities of interest" together. The revisions would retain the positively received aspects of what had been labeled Plan A, "The Minimal Change Plan," and Plan C, "The Middle of the Road Plan."

The revised maps, which are to be developed by National Demographic Corporation, will be made available to the public as soon as they are complete and will be taken back to the Sept. 6 Glendale City Council workshop session. Changes to the map boundaries, along with updated demographic information for each district, will be posted on the city's website, [www.glendaleaz.com](http://www.glendaleaz.com). They'll also be available by calling the Redistricting Hotline at 623-930-2296.

At the Sept. 6 workshop, council will review the updated maps and direct consultants on what to bring back to the Sept. 13 city council meeting where a formal vote is expected to be taken on a preferred map to submit to the Department of Justice for review. Action at the Sept. 13 meeting will enable city staff to meet filing deadlines with the Maricopa County Election Department and the Department of Justice.

**The public is encouraged to continue providing input on redistricting until new districts are approved by the Glendale City Council.** [Click here](#) to fill out an online comment form. Comments can also be sent by Fax to (623) 463-6678 or mailed to: Pamela Hanna, Glendale City Clerk, 5850 W. Glendale Avenue, Ste. 455, Glendale, AZ 85301.

Once approved and adopted, the final map of voting districts will be used in the city's 2012 election.

**Promoting Community Involvement and Education Award Nominations.** The city of Glendale's Hispanic Network (GHN) is seeking nominations of individuals and/or companies for its "Promoting Community Involvement and Education Award," which will be presented at the 2011 GHN Hispanic Heritage Breakfast in September.

The breakfast will be held at 7:30 a.m., Thursday, Sept. 22 at the Glendale Civic Center, 5750 W. Glenn Dr.

Each year Glendale celebrates Hispanic Heritage Month with a breakfast to bring the community together. This year's guest speaker is former Arizona Diamondback Luis "Gonzo" Gonzalez.

All members of the public are invited to submit a nomination for the "Promoting Community Involvement and Education Award," which will honor an individual or a company that has made an impact in Maricopa County.
